CRIMINAL PATROL 2-DAY COURSE

The Metroparks Toledo Ranger Department is hosting a 2-day Criminal Patrol Training Course for all Police Officer's, Deputy Sheriff's, State Troopers, Investigators and K9 Handlers. The lead instructor of the course will be **SERGEANT SHAUN SMART**, with the OSHP Criminal Patrol Unit. Actively engaged in the interdiction of the criminal element, and with over 25+ years of experience in law enforcement, Shaun has trained thousands of law enforcement personnel throughout the United States, Canada and Europe. Shaun is considered a subject matter expert in the topics that will be discussed in the course.

The subject matter provided in this course includes; the concept and strategy of crime oriented escalation of traffic enforcement activities, and an advanced format of roadside interview techniques that uncover criminal activity.

This is an operational level class designed to give training to law enforcement on how to take the traffic stop to the next level.

CRIMINAL PATROL CONCEPTS

Criminal patrol concepts, initial contact observations, establishing rapport, articulating observations, verbal deception cues, non-verbal behavior, active listening, pre-search objectives, and systematic search techniques.
