According to the Consumer Product Safety Commission, 200,000 children are treated annually for playground accidents. Of these, 70%, or 140,000 occurred at public parks and schoolyards. Sponsored by the National Recreation and Playground Association and Ohio Parks and Recreation Association, this CPSI course is the most comprehensive training program on playground hazard identification and risk management methods offered. Advanced reading and 12 hours of training will prepare you for the Certified Playground Safety Inspector Exam scheduled at the culmination of this certification course.

### How will this seminar benefit you and your organization?

#### Maintenance

Learn how to identify safety hazards on public playgrounds, rank those hazards according to injury potential and apply that knowledge to create a safety management program.

#### Administration

Review of risk management techniques and liability problems, implementation of risk management programs. Learn how to conduct an audit of your playgrounds.

#### Resources

Become familiar with the US Consumer Products

#### Safety

Commission Playground Safety Guidelines and the ASTM Standards for Safety Specifications for Playground Equipment for Public Use

#### Accessibility

Learn about safety in accessibility and the recommendations of the ASTM standard.

#### Surfacing

Become aware of the characteristics of the various surfaces used on playgrounds.

**Class Size/Registration** Space is limited so you are encouraged to register early. Registration is on a first come, first served basis. A minimum registration of 40 is required by NRPA. If minimum is not met, you will be notified 30 days before the course of its cancellation. Max class is 80.

**Preparation** Each participant will receive the course manual. It is extremely important that you read the course materials prior to attending the class. Failure to study the materials before the course commonly leads to failure of the exam.

**Continuing Education Units** Earn 1.5 CEUs while participating in this seminar. Be sure to sign the attendance roster for our records before leaving the seminar.

**Certification** Those taking the course are eligible to take the CPSI Certification Exam given immediately after the course. Upon successfully passing the exam, you will be certified through the National Recreation and Park Association as a Certified Playground Safety inspector (CPSI) for a three year period. Certificates will be awarded and your name will be added to the national roster of CPSIs.

**Requirements** Candidates sitting for the CPSI Certification examination must be 18 or older and have a high school degree or equivalent.

Computer based testing is also available through NRPA. Please visit [www.nrpa.org](http://www.nrpa.org) for more information.

**Registration deadline is 8/7/2020.**  
**No refunds or credits for cancellations.**
